## Barbershops Stop Boredom with Books

Barbers cut people's hair. They work in barbershops.

Many people like barbershops. They talk with the barber.

They see their friends. They relax and have fun. Oh, and they get a haircut!

One day, a teacher went to his barbershop. One of his students came in.

But his student didn't have fun. He had nothing to do. He was very bored. He wanted to go!

The teacher knew his student. He needed a good book to stop his boredom.

Then the teacher had a great idea!

The teacher gave his barbershop many good kids' books.

The books were free - and fun! He wanted kids to read at the barbershop.

He wanted kids to like reading. And great news! His idea worked very well!

Now he helps over two hundred barbershops! He gives them fun kids' books.

The barbers talk with kids about reading too. They ask "Do you like to read?" and "How is that book?"

Kids like reading and talking about books there!

That's thousands of kids' reading books, getting a haircut, and having fun!

## Out of Gas But Unstoppable

People love ordering food online. Food delivery drivers are busy! In India, one delivery driver uses his scooter to deliver food orders. But one day, it needed gas. He went to the gas station.

At that time, everyone was worried about gas. Was there enough? Maybe not! So

everyone wanted to buy gas. The line at the gas station was very long!

The man waited... three hours! Then he got a new food order. This was a big problem. He didn't want his hungry customer to wait! But his scooter needed gas.

The man had an idea. He used his friend's horse! He got the food. He put the red delivery bag on his back. Then he rode the horse to deliver the customer's order.

The road was busy and noisy. But the horse walked calmly.

People were amazed to see a delivery driver riding a horse! Some posted pictures online of this unstoppable food delivery driver. He became famous!

His scooter was out of gas, but this delivery driver found a cool way to do his job! Giddyap, horsey!
